Salute to the Seniors of “1984”

Tomorrow becomes today
as our school years
diminish into reflections.
Graduation seems like a dream unreal —
as each day rushes us
to the end.
The special closeness
our class now feels
becomes only a memory.
We live for ourselves
and realize —
neither the past nor the future
belongs to us;
only the present —
today —
this moment —
is
ours.

— Kelly Martin —

FACULTY AWARD

DEE ANNE DAVIS

The Faculty Award is the highest award that a student may receive. This award is given to the student who has shown the highest qualities of leadership, scholarship, and citizenship and made the most contributions to the school. This year's recipient of the Faculty Award is Dee Anne Davis. Dee Anne has served as Secretary of her Sophomore Class, Vice-President of her Junior Class, and Vice-President of this year's Student Government Association. Dee Anne was also President of this year's Office Education Association. She has served as a Varsity Football cheerleader since her Sophomore year. She has participated and excelled in basketball and softball her four years at Glenclyff. She served as a Homecoming Attendant in her Senior year. She has been an active member in the Fellowship of Christian Athletes, the Beta Club, and the National Honor Society. This year, Dee Anne was selected Miss Glenclyff and voted Best All Around by the Senior Class.

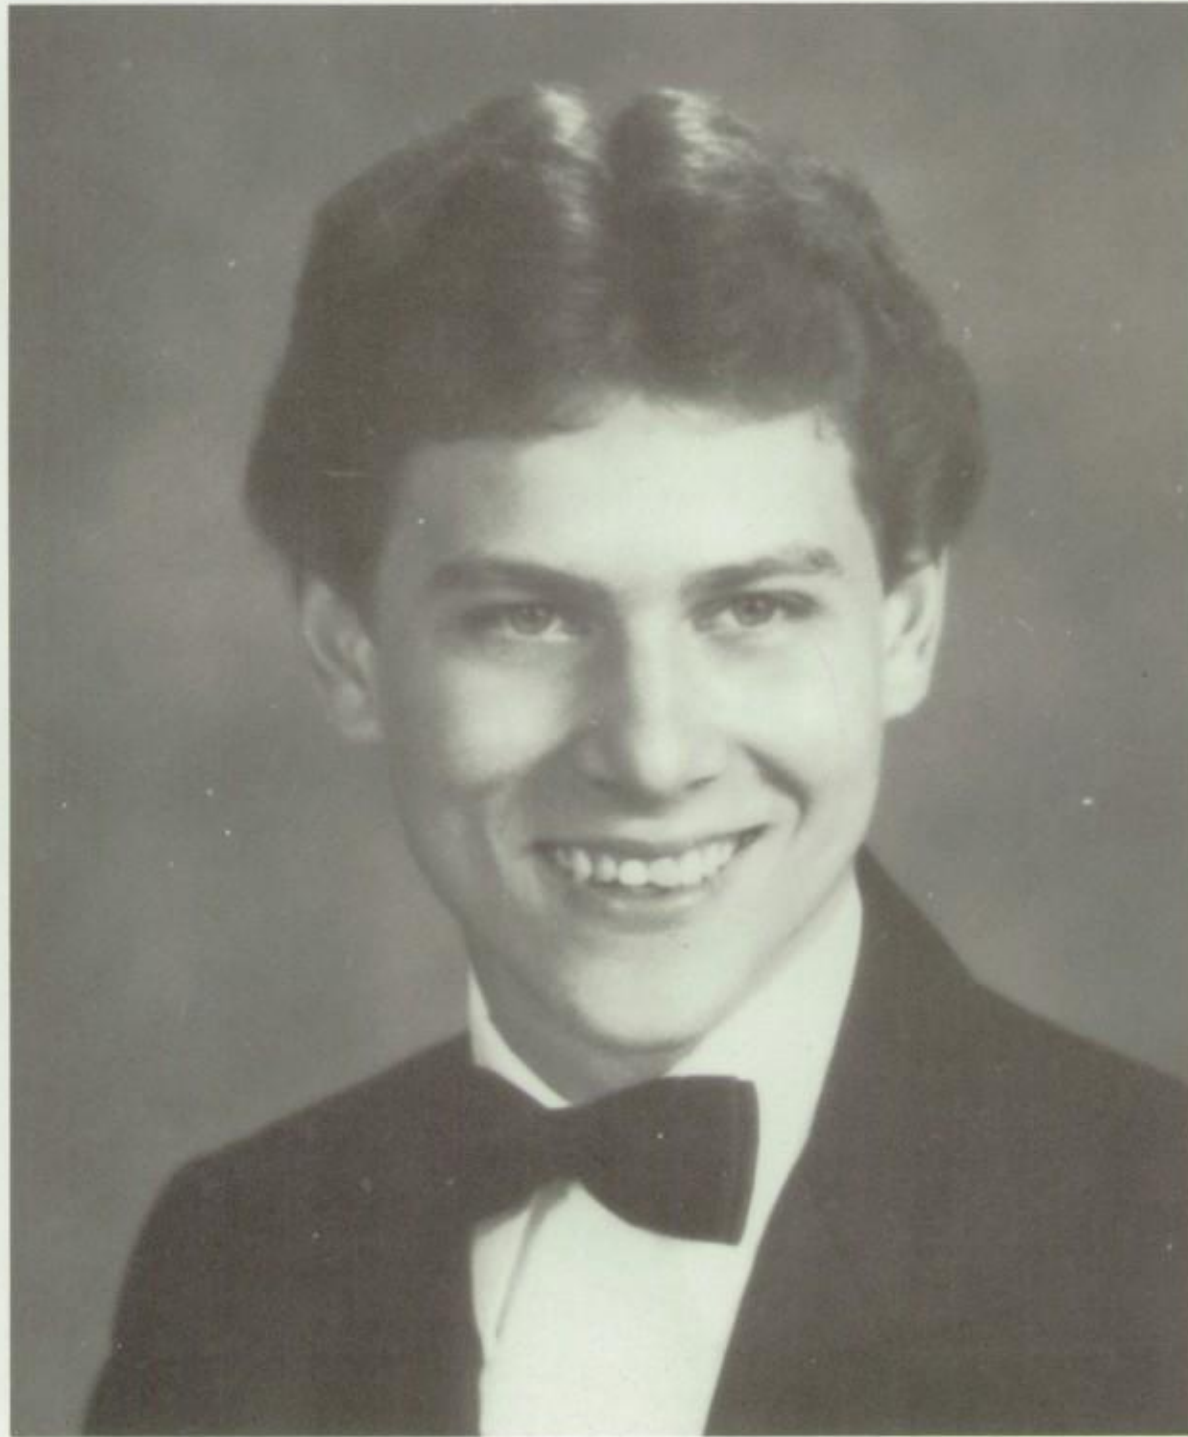

BALFOUR AWARD

TOMMY REESE

The Balfour Award is similar to the Faculty Award, but instead of the Faculty choosing the recipient, the Senior Class does. This award is given to the student whom the Senior Class feels has best displayed the qualities of leadership, scholarship, and citizenship. This year's Balfour Award goes to Tommy Reese. Tommy has excelled in Forensics and has represented Glencliff and Tennessee in local and national competition in the category of Extemporaneous Speaking. He has been a member of the House of Representatives of the Student Government Association for four years. He served as Historian of the Civitan Club in his Junior year and Secretary of the club in his Senior year. He was Club Editor for the yearbook this year. Tommy also served as President of the National Forensics League this year. He was elected to Boys' State in his Junior year. Tommy was chosen as Friendliest by the Senior Class.

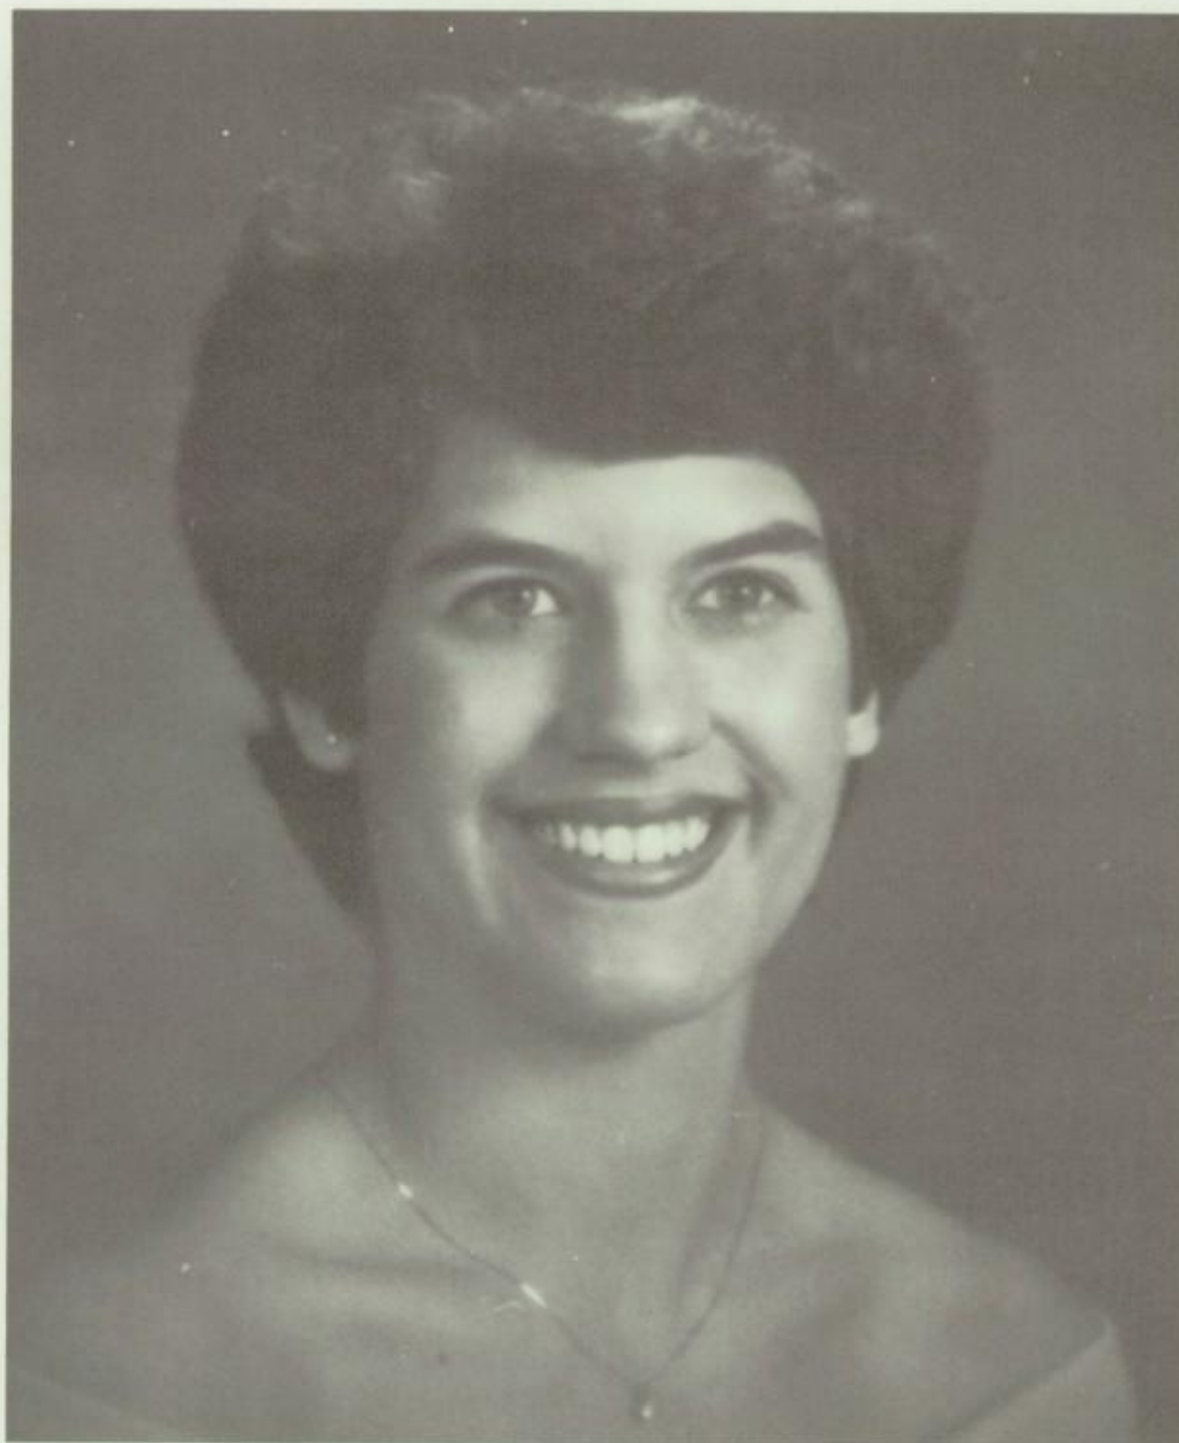

CIVITAN AWARD

HILLBILLY DAY

H O M E C O M I N G

HONOR ROLL

Honor roll receptions are given to those students who make either the 3.5 or the 4.0 honor roll each six weeks. The receptions provide a break from classes and a time for socializing. The Student Government Association organizes the receptions and provides the refreshments that are served.

HONOR SOCIETY

On November 29, 1983, Mr. Charles Frazier, director of the Board of Education, was a guest speaker for the National Honor Society. After an informative and entertaining speech, a reception was held in Mr. Frazier's honor. At this time, students were able to personally meet and talk with Mr. Frazier.

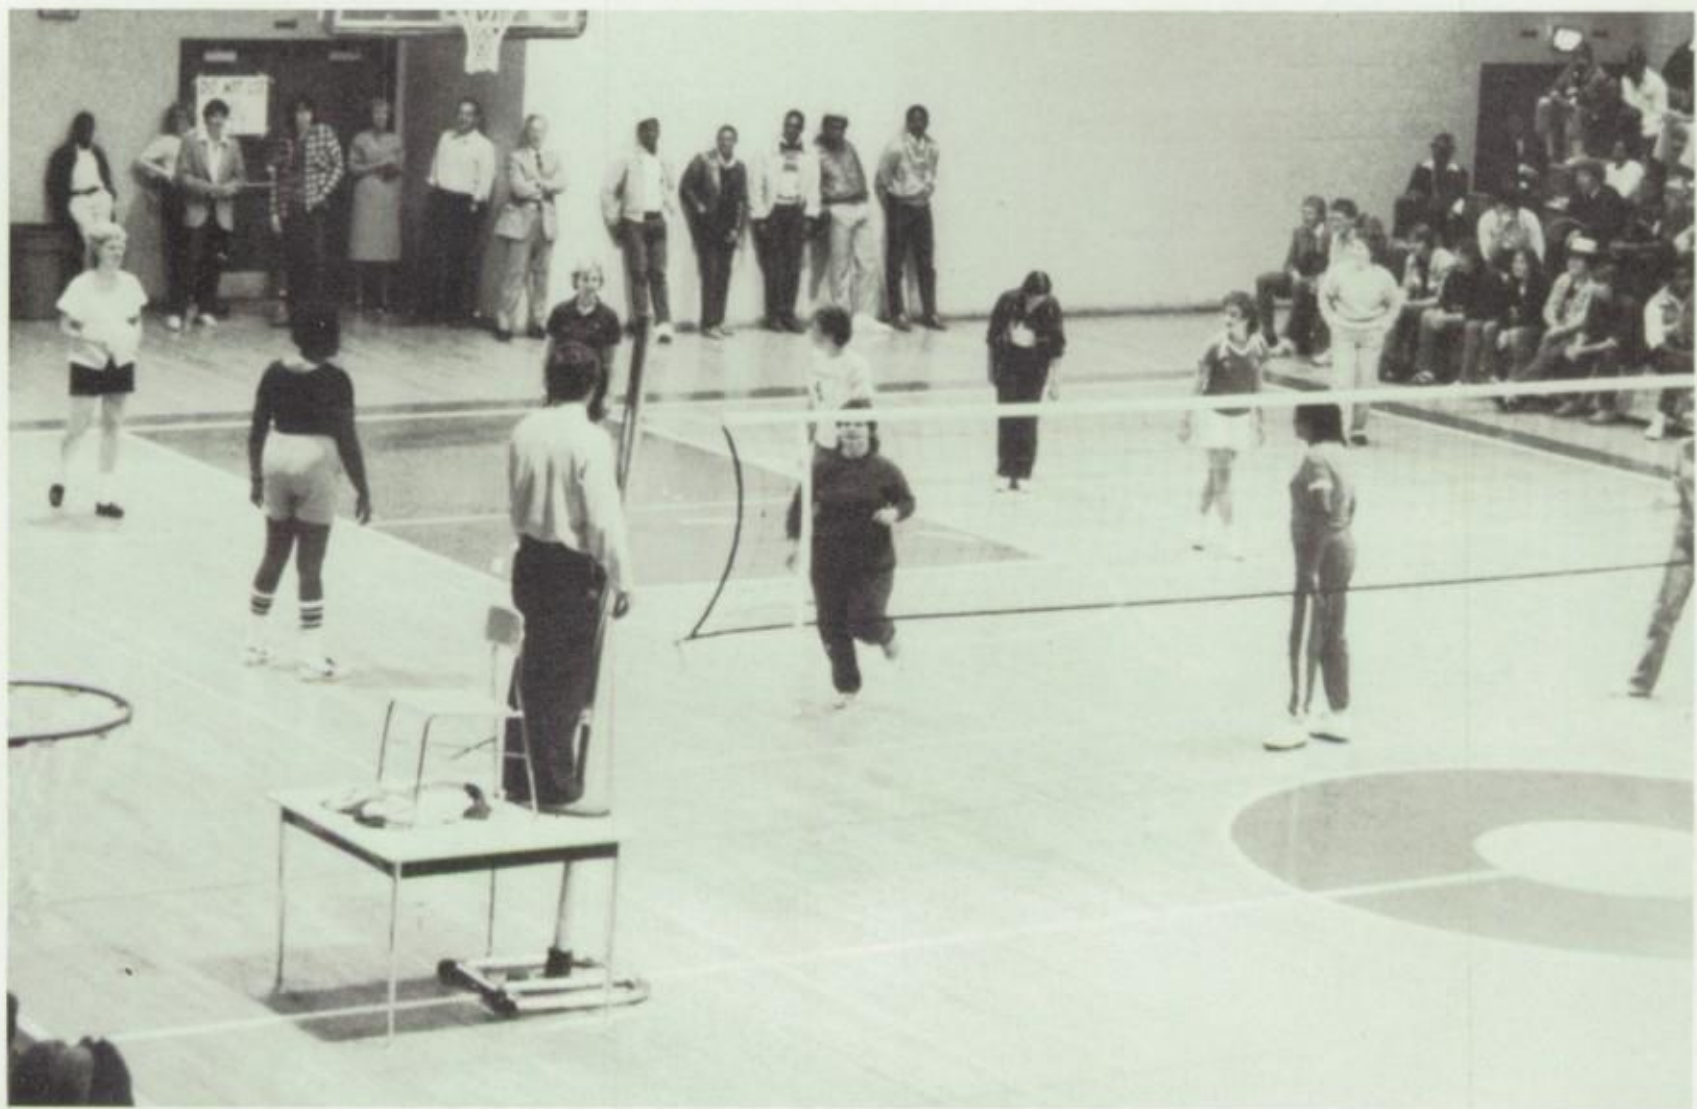

VICA

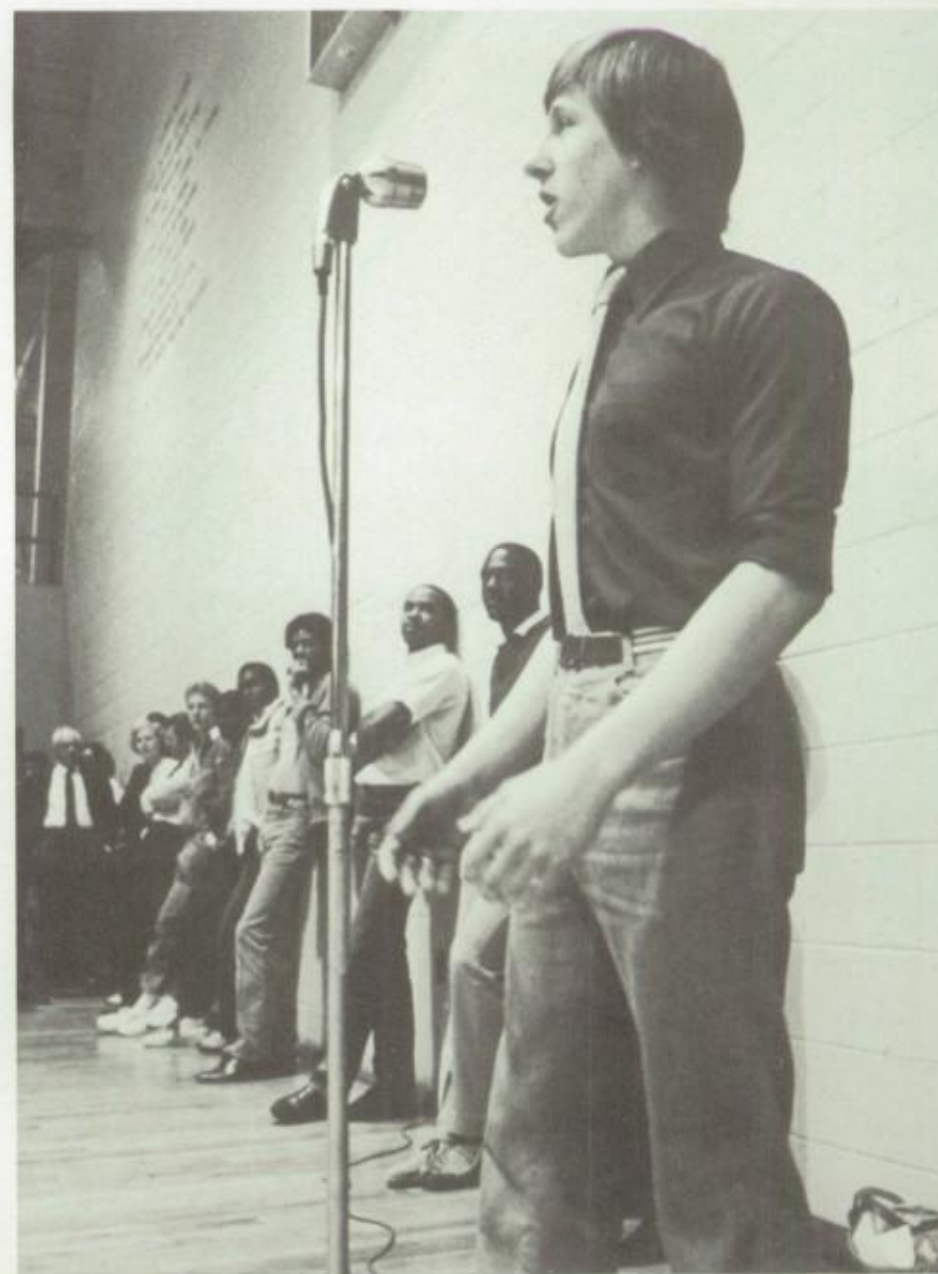

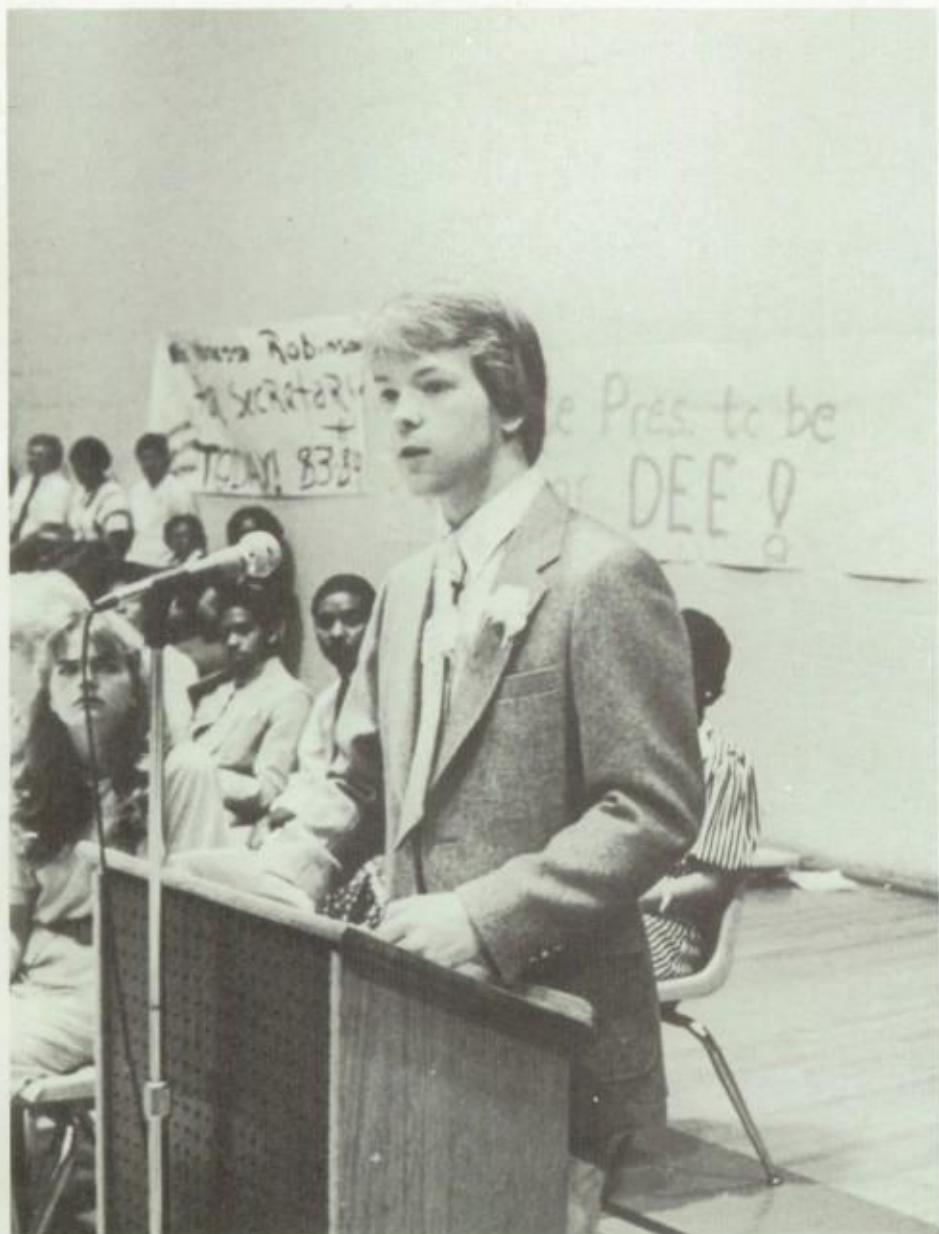

Vica meetings are held at various times during the year. Besides usual club business, activities are discussed and planned to benefit the club as a whole. These activities relate in some way to the variety of vocational classes offered at Glencliff.

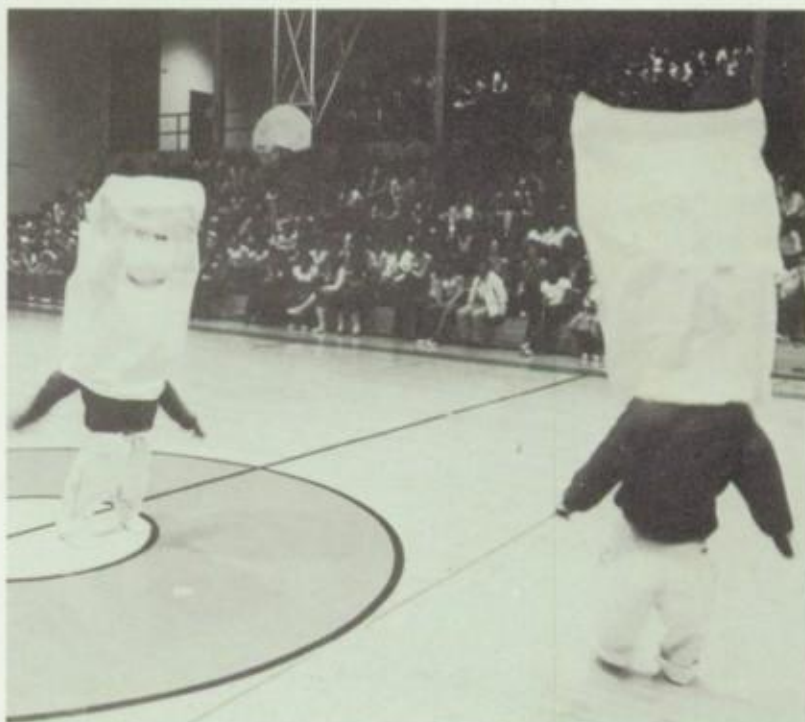

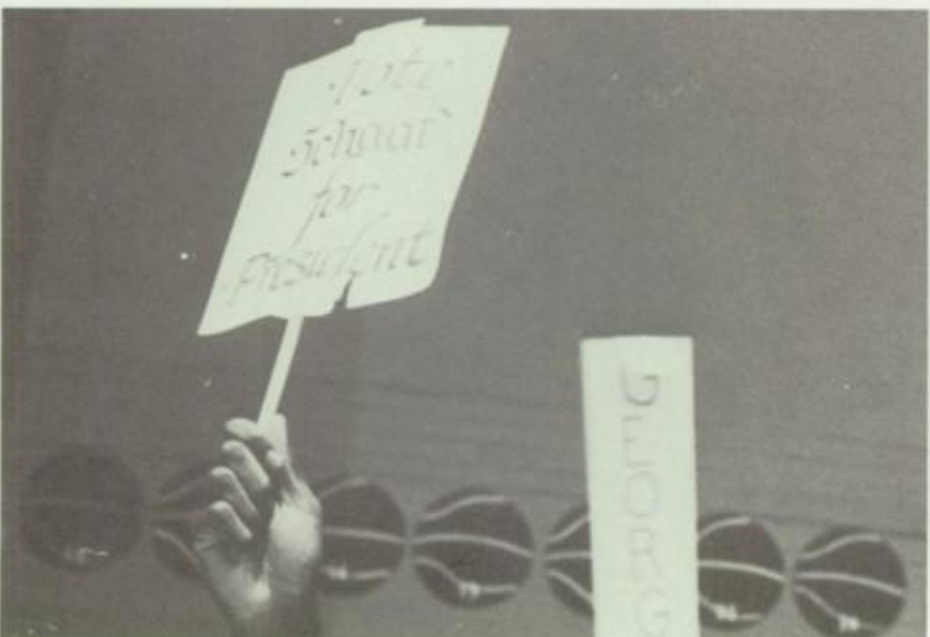

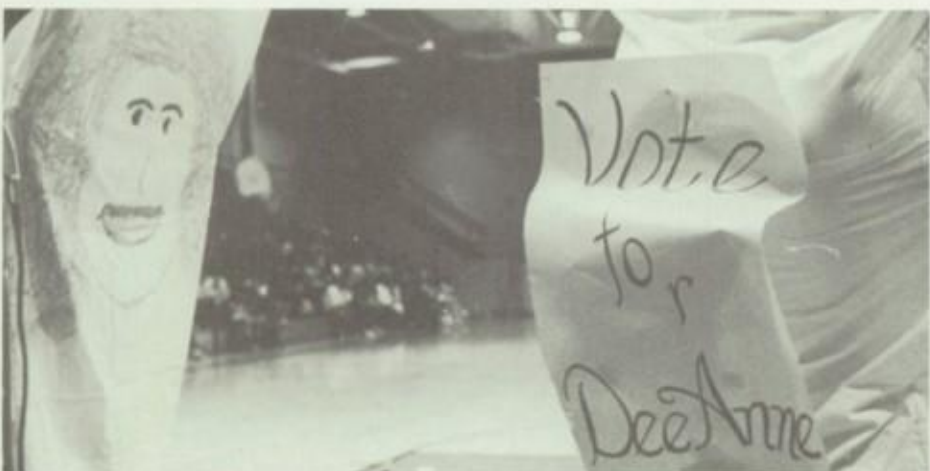

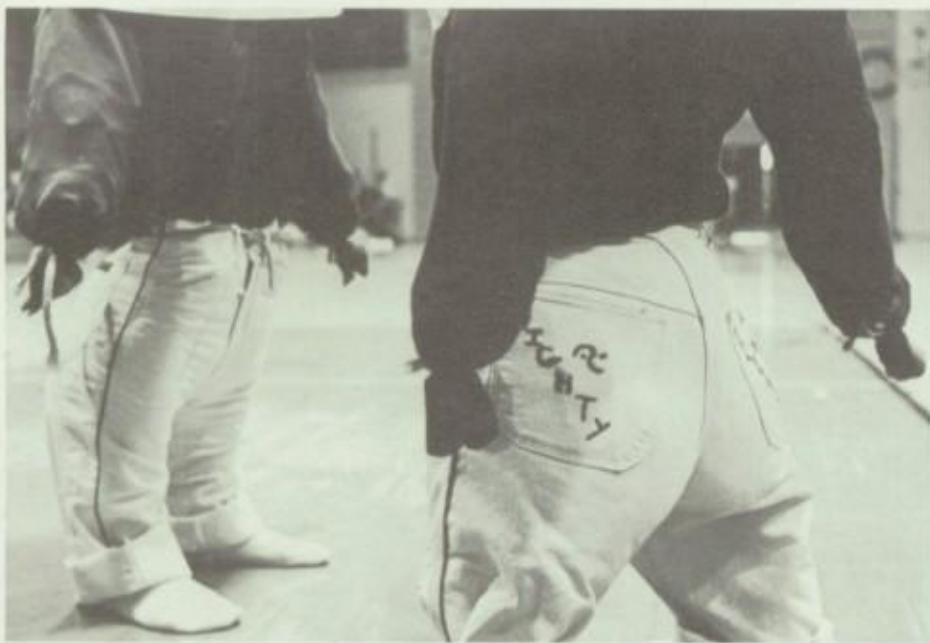

FACULTY VOLLEYBALL

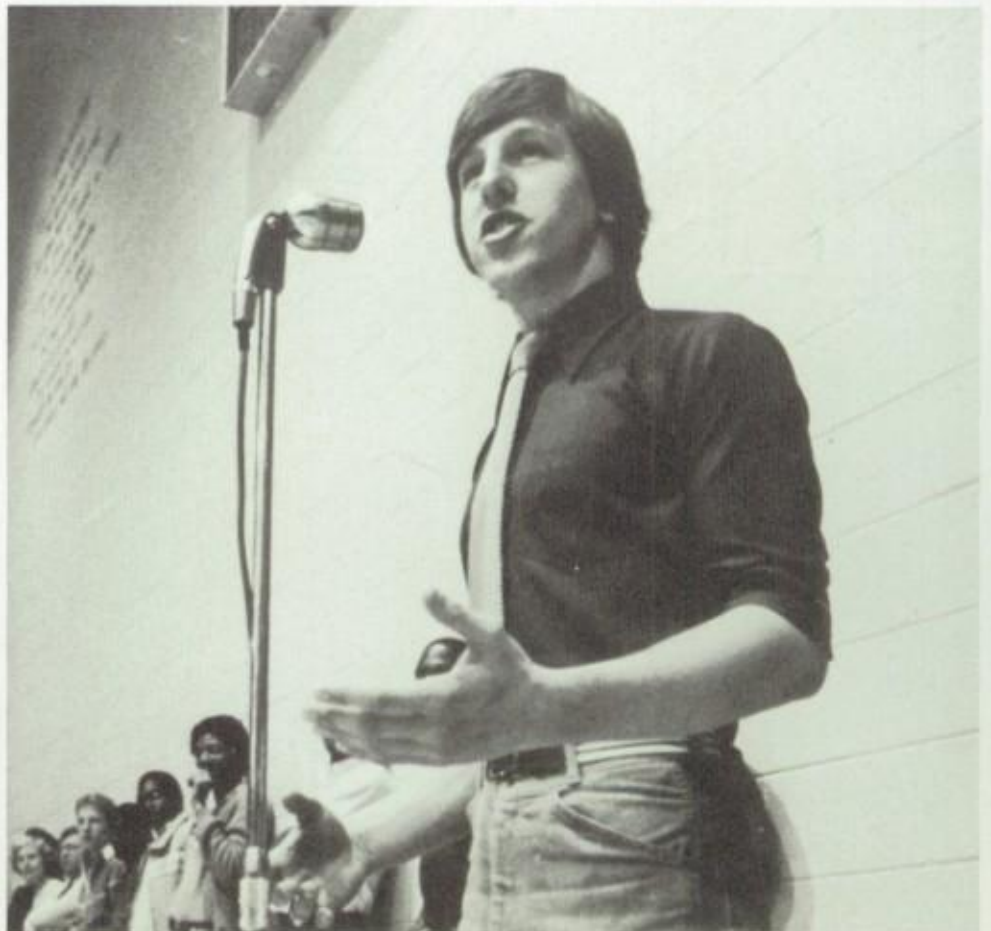

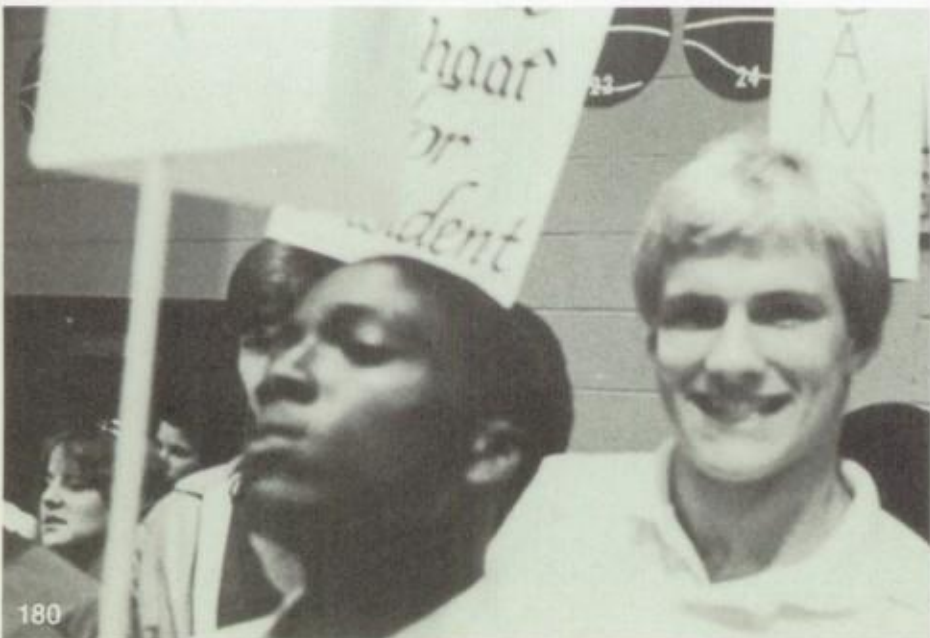

This year, the Student Government Association organized a Faculty volleyball game against the varsity girl's volleyball team. After a hard-fought battle, the game ended with a tie.

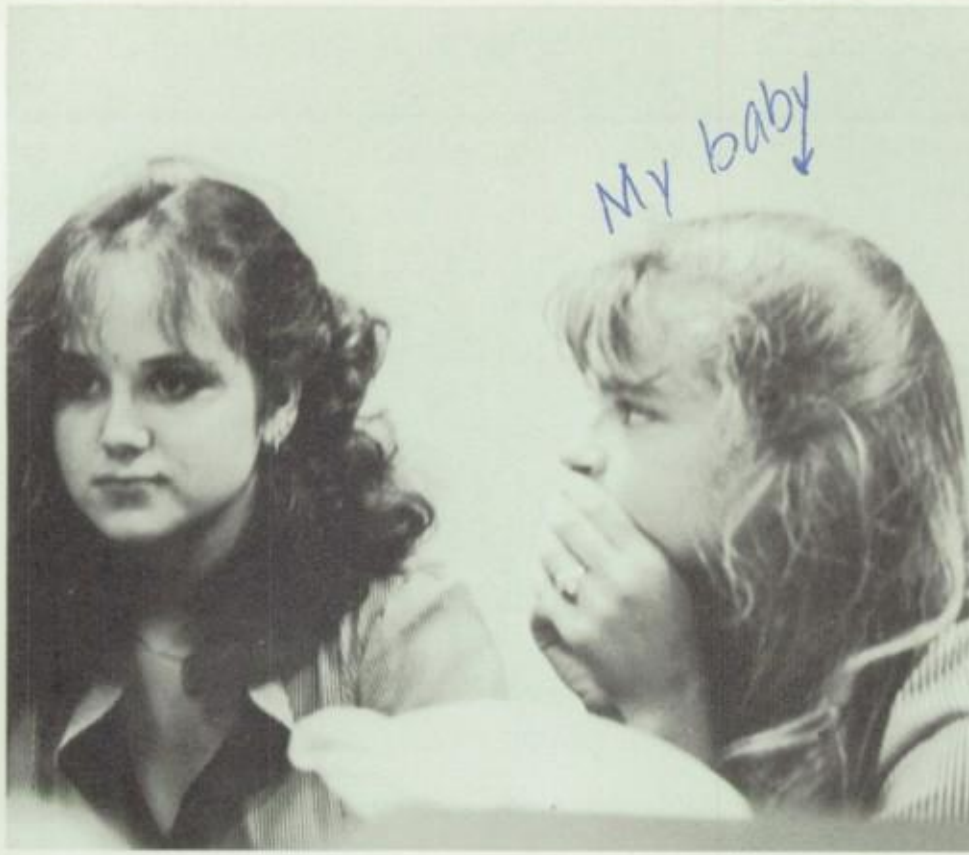

S G A E L E C T I O N S

The elections of the Student Government Association's Executive Council were held last spring. During election week, campaign buttons and cards were distributed, skits were performed, and speeches were given. All of the nominees are to be congratulated for the hard work and effort that they put into the week.

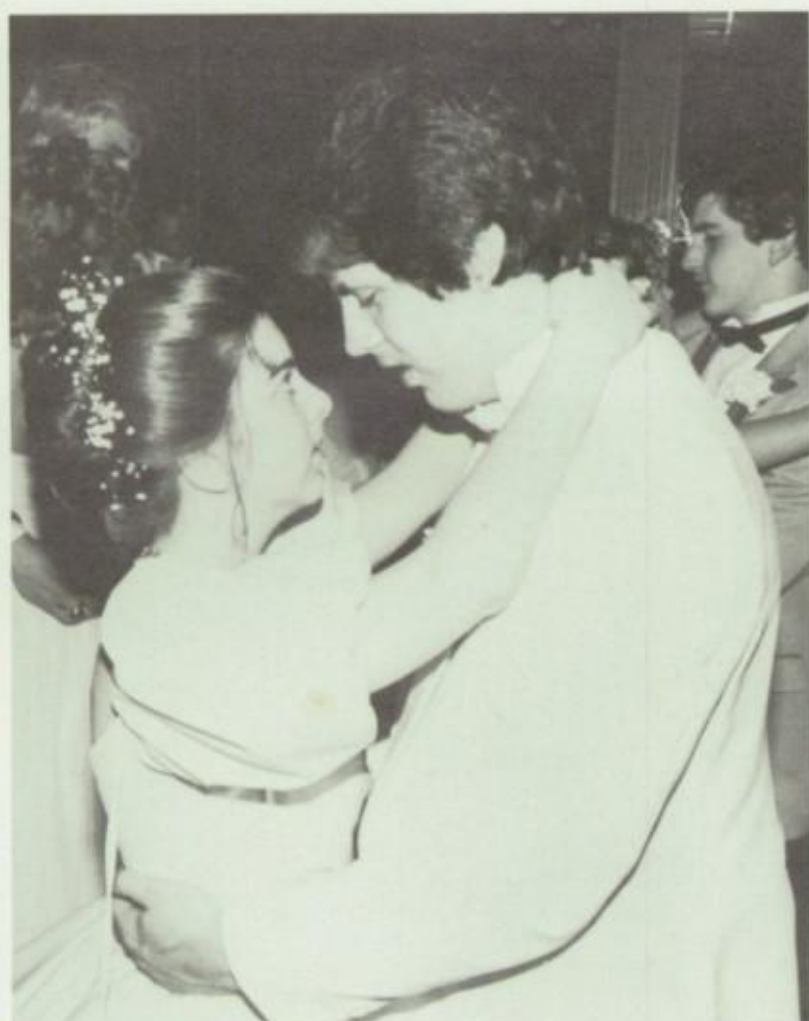

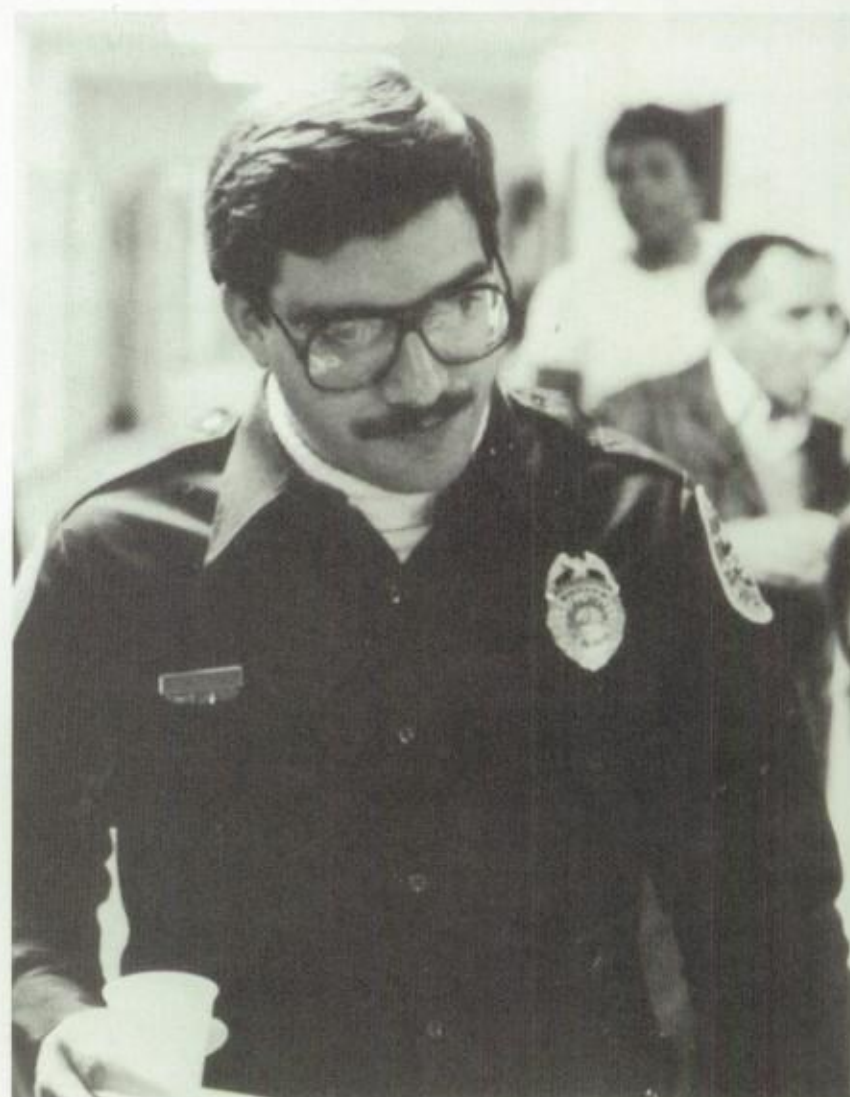

P R O M

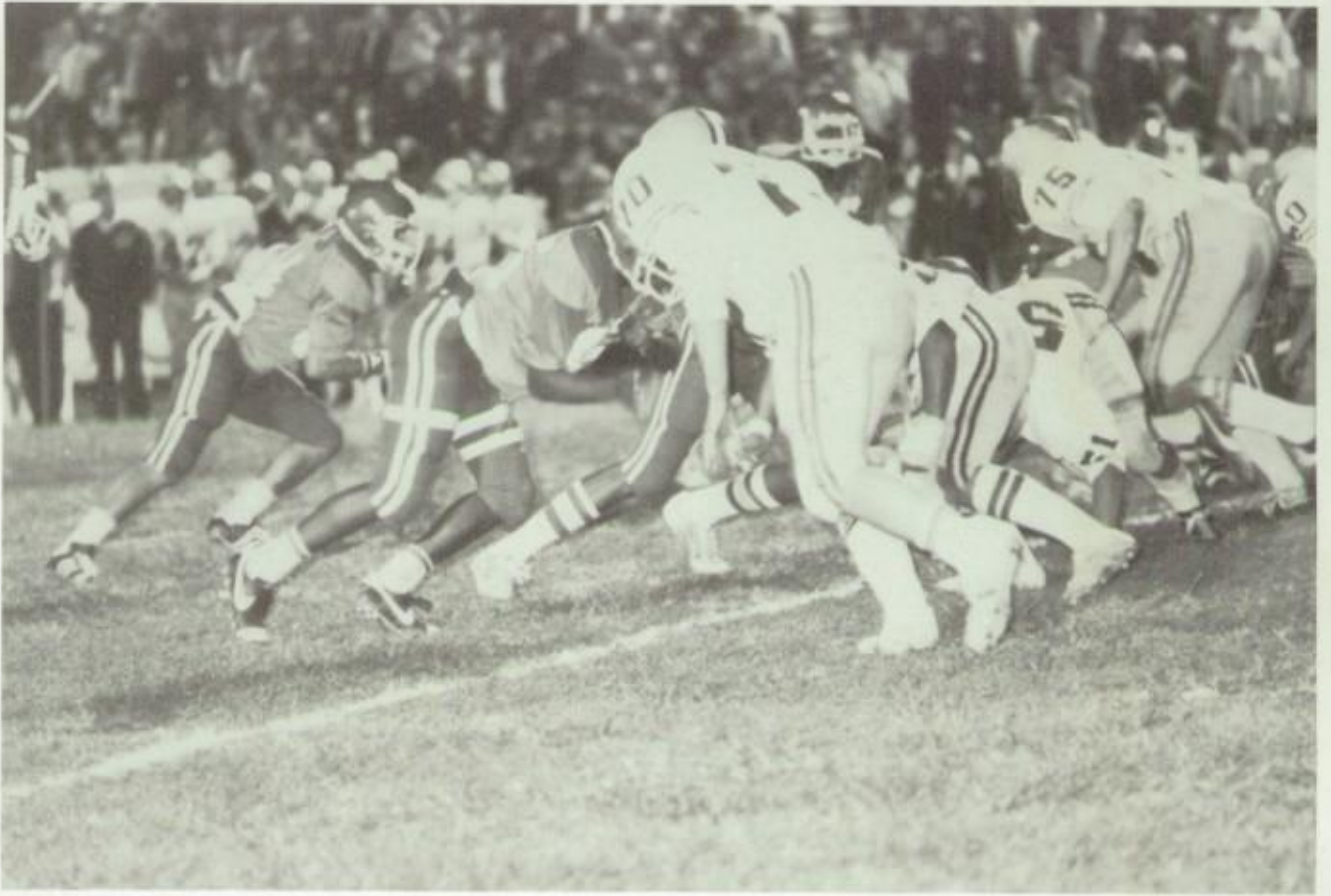

The 1983 Prom was held at the Sheraton Hotel in downtown Nashville. Tremendous work by the Junior Class was devoted to organizing the Prom. The enjoyment of those who attended revealed the true success of the Prom.

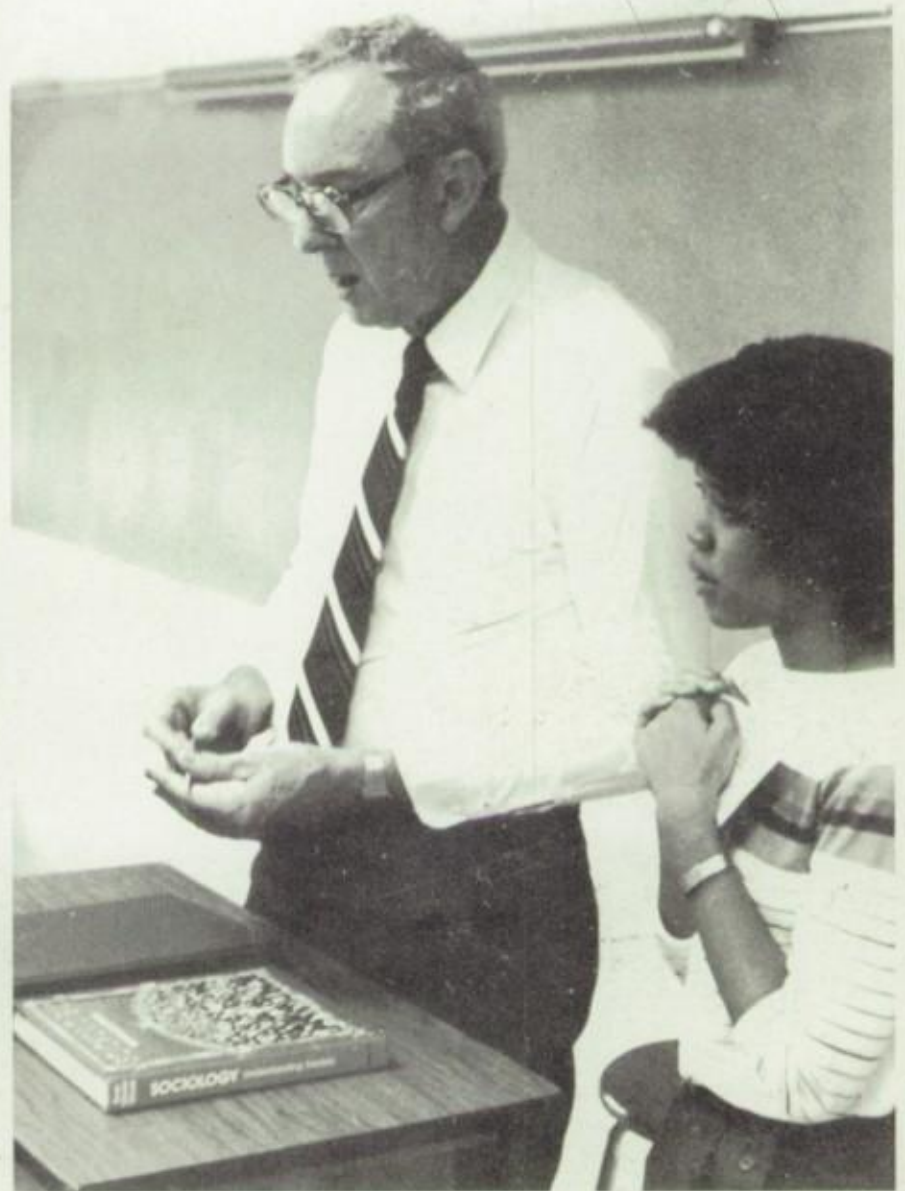

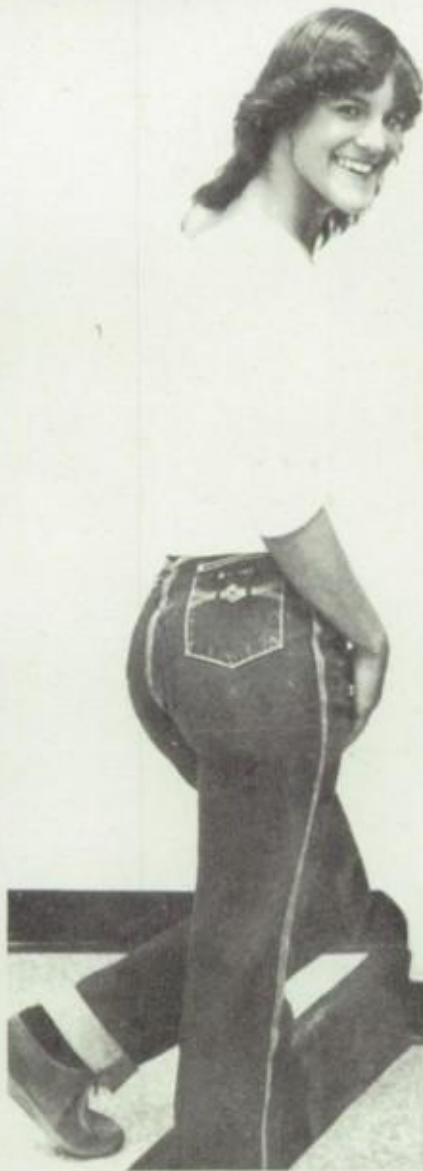

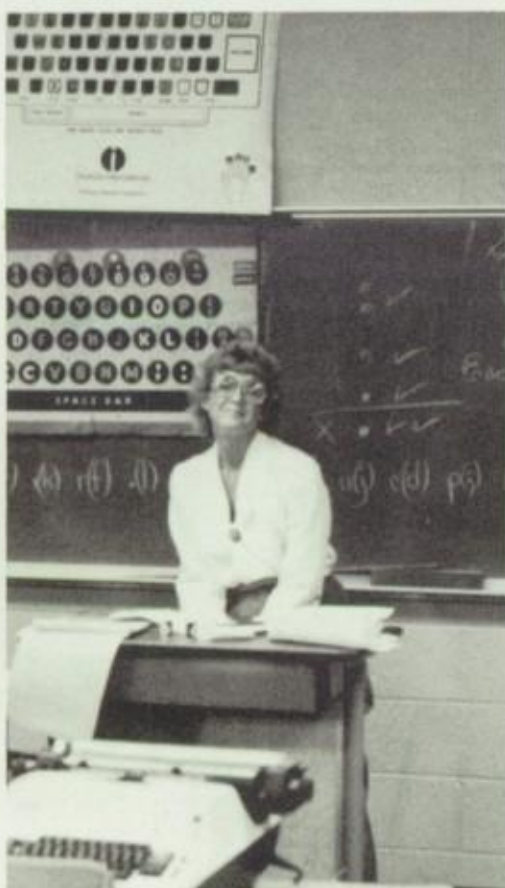

This year, Glenciff's photography teacher, Mr. Michael Rogers, exhibited his photographic essay, "The Night in the Life of a Metro Cop," in the school lobby. Shortly after its display, a reception was held at Glenciff to honor its graduates who are now employed by the Metropolitan Police Department. A special guest at the reception was Metropolitan Police Chief Joe Casey.

The 1984 Round-Up Staff would like to extend sincere thanks to Mrs. Beverly Anderson. As our sponsor, she has provided the Staff with words of advice and encouragement throughout the year. Her guidance and her help have enabled the Staff to produce a successful yearbook. Her enthusiasm never diminished in the long and complicated process of putting together this yearbook. For your time and your efforts, Mrs. Anderson, you are greatly appreciated.

Beverly sweet person who I will never forget. It's been a pleasure knowing you. Love Penny

As the 1984 Round-Up draws to a close, there are several people whom I would like to thank for their help. First, I want to extend a special thank-you to Nancy Walsh for designing the art for the cover of the yearbook and to Mark Clark for writing the poetry at the beginning of the yearbook. Their work shows the tremendous talent that they both possess. Next, I want to thank Nancy Hunter, Stacey McClurkan, and Susan Gregory for devoting some of their valuable time to helping the Staff, at times when extra help was vitally needed. Also, thanks to the Faculty for their help and cooperation throughout the year. And, last, may I thank the 1984 Round-Up Staff. Their individual efforts have enabled them to put together a successful yearbook. Again, may I offer my gratitude and appreciation to everyone who has added their own special touch to this yearbook.

Sincerely,
Kelly Newman

You never know
until you try.

And you never try
unless you really try.

You give it your best shot;
you do the best you can

And if you've done everything
in your power, and still "fail" —
the truth of the matter is
that you haven't failed at all.

When you reach for your dreams,
no matter what they may be,
you grow from the reaching;
you learn from the trying;
you win from the doing.
